Welcome

The Rise is a specialist development for people aged over 55 with visual impairment. It provides self-contained apartments with care services based on-site and a range of communal facilities.

Residents at The Rise can live independently in their own well-appointed apartments, with the knowledge that specialist care and support is on hand as and when needed.

Each apartment is fitted to a high specification, and the court was built with the needs of people with sight loss in mind. Every aspect has been designed to minimise the difficulties that visual impairment can cause. Communal facilities include a lounge, convenience store, hairdressers and bistro, and the court is set within large grounds.

About us

Housing 21 is a leading, not for profit provider of Extra Care and Retirement Living for older people of modest means. We manage over 24, 000 properties and providing over 49, 000 hours of social care each week.

Our roots lie with the Royal British Legion (RBL), which in 1921 began to house disabled ex-servicemen and widows and, later, older ex-servicemen and women. In 1964, we became a recognised housing association before separating from the Royal British Legion in 1993 to become Housing 21.
