About us

We are a leading provider of safe, quality and affordable properties for older people, empowering you to live independently with on-site care or support. We manage over 24,000 properties and provide over 48,000 hours of in-house care every week.

Our roots lie with the Royal British Legion (RBL), which in 1921 began to house disabled ex-servicemen and widows and, later, older ex-servicemen and women. In 1964, we became a recognised housing association before separating from the Royal British Legion in 1993 to become Housing 21.
