Oakwood Gardens Care Survey Report August 2026

Prepared by: Acuity Research & Practice

96%
Overall satisfaction

Acuity was commissioned to undertake independent satisfaction surveys of Housing 21's care residents to collect data on their opinions of, and attitudes towards, their landlord and the services provided.

A survey questionnaire was sent to all residents. The survey was primarily conducted by post, but residents were also given the opportunity to complete the questionnaire online if they wished.

Year-on-year change – Oakwood Gardens

The table on this page compares results for this particular scheme by year, to see how perceptions have changed since 2024-25.

Results from the previous year (2024-25) will not be available where responses did not meet the minimum requirement of 10 responses.

Please note that the last three questions in the table were introduced in 2025-26, and therefore no comparison with 2024-25 is available.
