

## Bramble Hollow

### Tenant Satisfaction Measures (TSM) Scheme Report March 2025

Prepared by: Acuity Research & Practice

82%

Overall Satisfaction

Acuity was commissioned to undertake, independent satisfaction surveys of all Housing 21's residents, including retirement living and extra care, to collect data on their opinions of, and attitudes towards, their landlord and the services provided.

A survey questionnaire was sent to all residents. The survey was primarily conducted by post, but residents were also given the opportunity to complete the questionnaire online if they wished.

Responses 17

This chart shows the satisfaction results of this scheme (depicted by the blue line) in comparison with the Regulator of Social Housing (RSH) data for all other social housing providers.

The quartiles refer to the upper quartile (top 25%), median (average) and lower quartile (bottom 25%) of Low Cost Rental Accommodation (LCRA) properties in the sector.

Care

100%

Overall Satisfaction

This page displays the satisfaction scores for the care survey which was only asked of residents in receipt of care provided by Housing 21.

## Benchmarking

When considering Housing 21 as a whole, the table on the right shows satisfaction for all Housing 21 Extra Care residents surveyed this year. Satisfaction is high with 95% satisfied with the overall services provided.

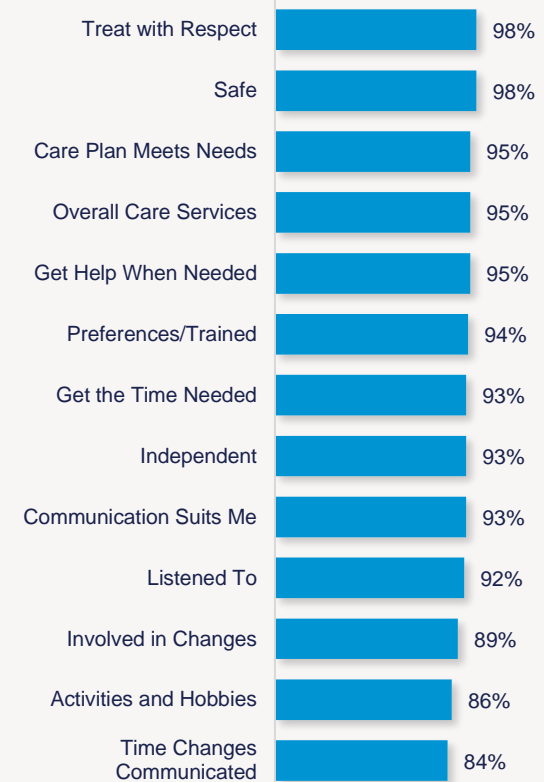

All the remaining measures received 90% or more satisfaction, apart from involved in changes (89%), activities and hobbies (86%), and 84% of residents satisfied with changes to the times they receive their care are communicated with.

The chart to the left shows your Scheme in comparison with the overall results for Housing 21, allowing you to benchmark against all other Schemes.
