# Welcome to Fern Meadows

Welcome to Fern Meadows, the latest development by Housing 21, a leading not for profit provider of Retirement Living and Extra Care properties with over 60 years' experience.

Set in the town of Faringdon, surrounded by beautiful greenery, Fern Meadows is an Extra Care development comprising 60 one- and two-bedroom apartments.

As well as enjoying the privacy of your own stylish home, you will also have the choice to enjoy the facilities at the scheme. This includes our communal lounge, hair salon, restaurant, activity room, buggy store, guest room, and landscaped gardens. Pets are very welcome to move in too! There is a private car park on site which includes electric charging facilities.

Located on Brickell Way, this all-electric, low carbon development is close to local amenities such as; ALDI, Tesco Superstore, The White Horse Medical Practice and 4 Dimensional Fitness.

# Faringdon

Faringdon is in the heart of Oxfordshire with a vibrant community. It is quintessentially English, a stunning Cotswold market town. Faringdon and the surrounding areas are steeped in history and set in a beautiful rural setting.

The area is referred to as Vale of White Horse due to the close proximity of the prehistoric white chalk horse at Uffington. The Faringdon Folly Tower is set above the town and is a well known local landmark.

## Lifestyle and nostalgia

The local area and market town connects with the rural landscape, so this was important to show in the interior and the elements used. Nostalgia was key for us, to bring in items that would spark memories from the past.

The dressing has key pieces that add a sense of connectability to areas with memorabilia. Areas that feature here are the shelving in the entrance, and the games area.

# About the scheme

Fern Meadows is an Extra Care scheme, this enables you to continue to live independently in your new home, with the peace of mind of having on-site Care Workers to help if and when you need them. An on-site Housing Manager is also there to help by running day to day life at the scheme, supporting residents in from of organising events and any necessary repair work with tradespeople. This allows you to spend more time doing things that you enjoy.

## Other charges and considerations

All our properties must be occupied by the applicant and cannot be sublet or rented to others. In addition to any rental charges, all our properties may be subject to pay the following:

**Support charge:** This covers the cost of the Housing Manager and hardware costs for the emergency call system that are not covered by Housing Benefit.

**Service charge:** This pays for maintaining shared spaces and estate management. Our service charge is eligible for Housing Benefit. You will also be required to pay for your own utility bills (gas, electric, water), TV licence, Wi-Fi and council tax and we recommend taking out contents insurance.

**24/7 core support charge:** This enables the care provider to have a member of staff on site 24 hours a day to respond to the emergency call system and provide assistance in the case of an emergency.

## Sustainable living

Housing 21 recognises the challenge of providing quality homes with care or support for older people and how this has been intensified by an increase in the cost of living and the updated energy price cap. As such, we feel more strongly than ever that we have a commitment to our residents to provide homes that are both sustainable and shaped by their needs.

All of Housing 21's new homes have been designed to meet our updated 'low-carbon specification' which far exceeds current building regulations; taking a fabric-first approach and putting it in line with the Future Homes Standard and 2050 net-zero targets. Court's with photovoltaics will allow residents to benefit from lower energy bills. To further highlight this, 99 percent of our properties are rated at least Energy Performance Certificate (EPC) C and 30 percent are at least EPC B.
