Don't just take our word for it!

"We had a complex chain involving extensive legal back-and-forth, but Marshall from the New Homes Group was **outstanding**. He kept us **consistently updated**, often pre-empting our calls with timely information. His **communication** was **clear, frequent**, and **proactive**. The New Homes Group was also very transparent about timelines and development progress. Couldn't recommend Marshall enough." – Ms A, July 2025
