Brookside House Care Survey Report August 2026

Prepared by: Acuity Research & Practice

100%
Overall satisfaction

Acuity was commissioned to undertake independent satisfaction surveys of Housing 21's care residents to collect data on their opinions of, and attitudes towards, their landlord and the services provided.

A survey questionnaire was sent to all residents. The survey was primarily conducted by post, but residents were also given the opportunity to complete the questionnaire online if they wished.

Year-on-year change – Brookside House

The table on this page compares results for this particular scheme by year, to see how perceptions have changed since 2024-25.

Results from the previous year (2024-25) will not be available where responses did not meet the minimum requirement of 10 responses.

Please note that the last three questions in the table were introduced in 2025-26, and therefore no comparison with 2024-25 is available.

What do you like about your care service?

Are there any areas of your care service that could be improved?

Benchmark - Housing 21

The chart to the left shows your scheme in comparison to the overall results for Housing 21, allowing you to benchmark against all other participating schemes combined.

When considering Housing 21's care service as a whole, the chart on the right shows satisfaction for all residents that took part in the survey this year. Satisfaction is high, with 96% satisfied with the overall care services provided.

Overall, the majority of measures scored above 90%, with the exception of being involved in changes (89%), activities and hobbies (86%), communication of time changes (85%), and the three Birdie Digital System questions (easy for family to access details at 76%, the system improved care at 61%, and easy for residents to access details at 59%).
