Welcome

Our new Extra Care scheme, Bulmer House, will offer independent living with on-site care for people over the age of 55. The 56 stylish apartments will be available to rent.

Bulmer House has been designed to provide fully accessible facilities for residents and members of the public, such as a café/bistro and hair salon. There is also a spacious residents' lounge, activity room, buggy store, guest suite, and communal gardens for residents and their guests to enjoy. As well as support from our Care Team, Bulmer House will be managed by a dedicated on-site Local Housing and Care Manager, who will ensure that day-to-day life runs smoothly.

Bulmer House is a great choice for people looking to downsize and enjoy living in a beautiful new home with support, if or when it may be required.

About us

Housing 21 is a leading, not for profit provider of Extra Care and Retirement Living for older people of modest means. We manage over 24, 000 properties and providing over 49, 000 hours of social care each week.

Our roots lie with the Royal British Legion (RBL), which in 1921 began to house disabled ex-servicemen and widows and, later, older ex-servicemen and women. In 1964, we became a recognised housing association before separating from the Royal British Legion in 1993 to become Housing 21.
