WELCOME TO MINTERNE APARTMENTS

Our brand-new apartments are located on Fountain Park Way, off Wood Lane, within the vibrant White City area of London.

Minterne Apartments is an Extra Care scheme; this is different to a care home. At Minterne, you will live independently in your new home, exactly as you do now, but with the peace of mind that having help on hand, either now or in the future, brings.

With your own front door, you'll come and go as you please, have friends and family to visit and bring pets along with

you. The only difference is that here you have an on-site team, Housing Manager and the opportunity to use our communal facilities and activities, meeting like-minded people along the way.

White City living

White City is quickly establishing itself as a new West London community and destination, with excellent transport connections and plenty to do on the doorstep.

Minterne Apartments is located less than half a mile from Westfield Shopping Centre, with more than 350 retail stores including John Lewis, cafés, restaurants and even a cinema.

On the way there, you'll discover a new public park as well as Wood Lane

Arches, a diverse mix of commercial, leisure and retail space hidden in 31 railway arches transformed by Transport for London. Here you'll also find Wood Lane Tube station, along with new cycle parking for bike enthusiasts.

White City and Latimer Road stations are also less than one mile away, connecting you to the rest of London via the Central Line.

You'll be just three miles from The Royal Albert Hall, two miles from Kensington

Palace and Gardens and the Design Museum, the world's leading museum devoted to contemporary design, and just 1.5 miles from sports facilities, gardens, and woodland at Holland Park.

Even closer by is the old BBC Television Studios and offices, an iconic building being converted into a mix of homes, offices, a hotel and new television studios.

The Wood Lane area provides access to the A40 north, M25 and M40. The A4

and M4 in the south can also be reached via the A3220 south.

London Heathrow Airport is approximately 11.5 miles southwest of the site and can be accessed by car in approximately 30 minutes or by public transport in approximately 35 minutes. White City Bus Station is just 0.3 miles from Minterne Apartments.

White City: Local history

A cultural icon and landmark piece of modern architecture, Television Centre was a factory for television and a powerhouse of creative broadcasting. It was built on the site of the Franco-British Exhibition of 1908. A large public fair, its intricate white buildings and waterways gave rise to the area's name of White City.

Attracting eight million visitors, the exhibition was constructed to celebrate the signing of the Entente Cordiale, an agreement of cooperation that marked the end of nearly 1,000 years of conflict. HM Queen Elizabeth II visited Television Centre in 1961. After six years of construction, she toured the £12m complex and its seven studios.

Your home, your way

Whether you're looking to buy or rent, we have a variety of options to suit you.

Shared ownership

We have one- and two-bedroom apartments available for shared ownership, ideal for people who would like to own their own home, have a care need, but cannot afford to buy on the open market.

With shared ownership you can buy a minimum of 25 percent and up to 75 percent, based on affordability. You own a share of the property and pay rent

on the outstanding amount. There is no rent to pay if you buy the maximum 75 percent share.

Renting an apartment

We have one and two-bedroom apartments available to rent for those over the age of 55 with a care or support need and a local connection. You will need to be nominated by your local authority who will assess your eligibility. If you are a homeowner or have sufficient funds to purchase a home, you may not qualify to rent. Rents are Housing Benefit eligible.

Other charges and considerations:

All of our properties may be subject to payment of some extras, including:

- **Core support charge:** enables the care provider to have employees onsite 24-hours-a-day to deliver a flexible service as and when needed. This is chargeable to all residents at the scheme (even if you don't receive care) and is not the same as planned personal care.
- **Support charge:** covers the cost of the Housing Manager and hardware costs for the emergency call system that are not covered by Housing Benefit.
- **Service charge:** pays for maintaining shared spaces and estate management. Our service charge is eligible for Housing Benefit.
- **Meal provision:** pays for one hot meal per day, which is provided by our café/bistro.

You will also be required to pay for your own utility and home bills, for example electricity, TV licence, Wi-Fi, and Council Tax.

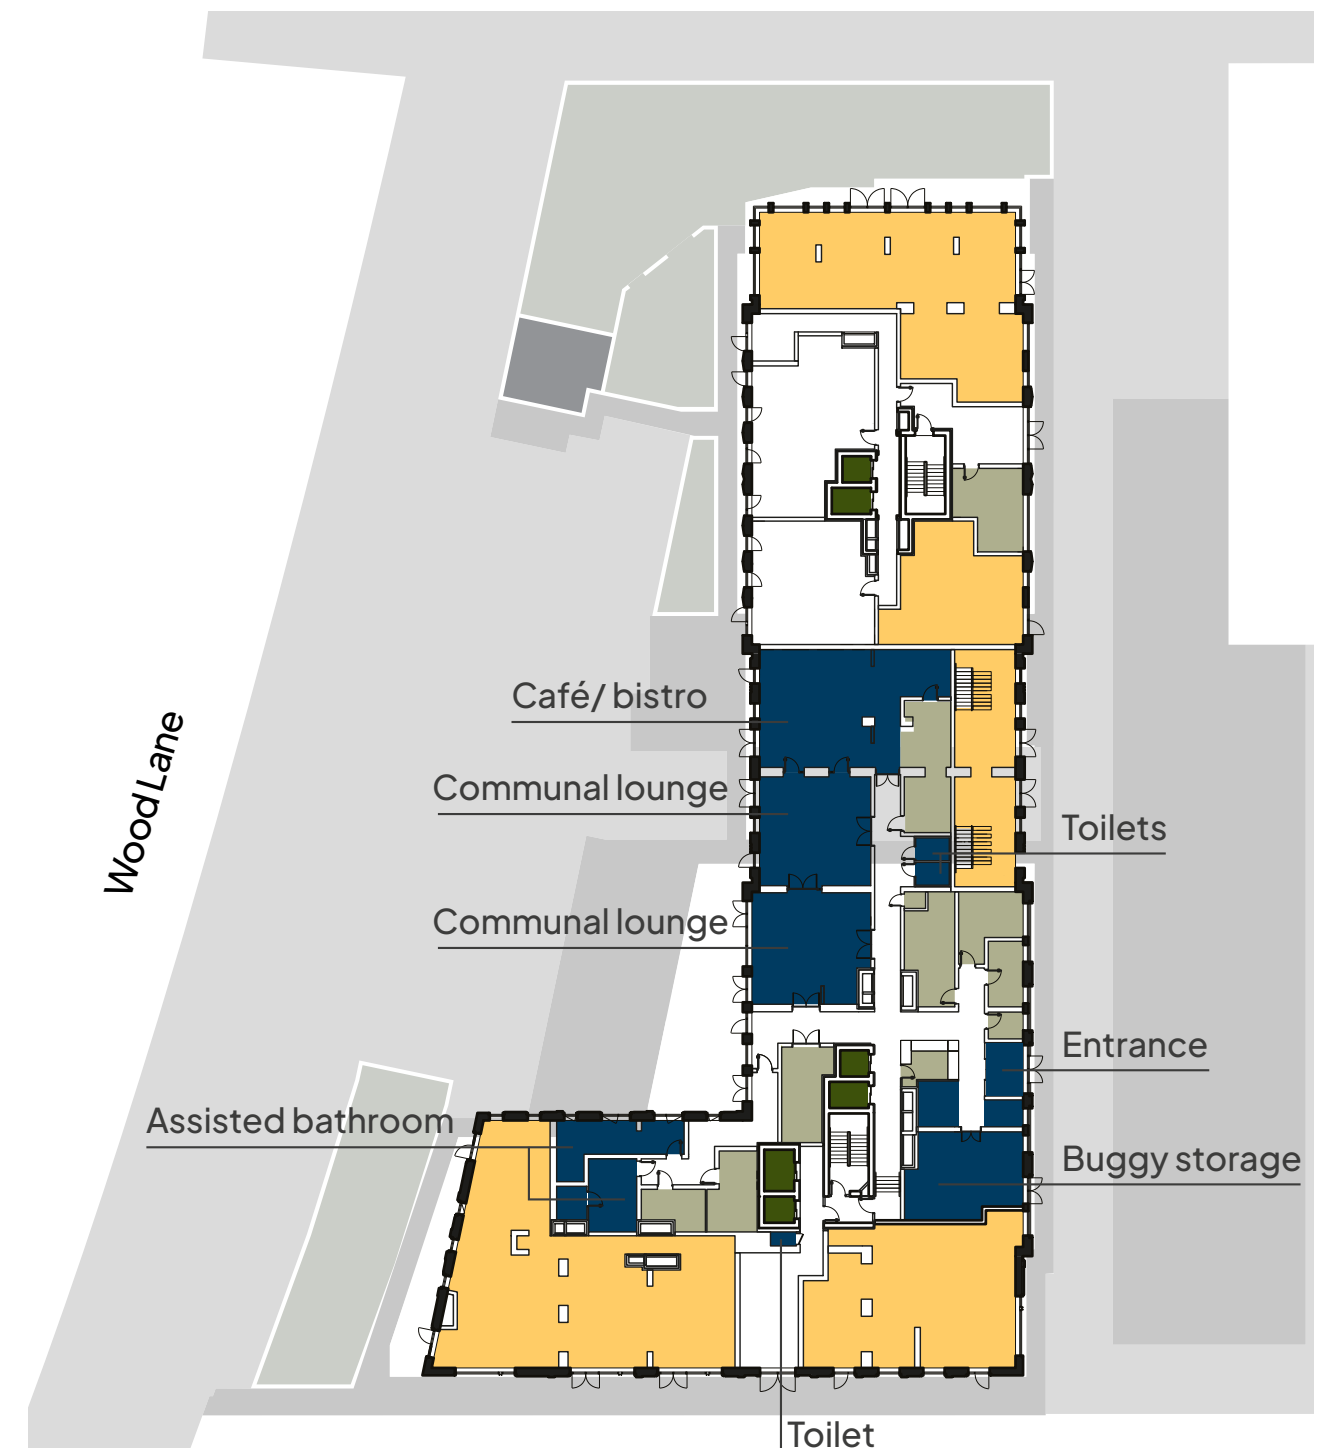

We also recommend taking out contents insurance for your personal items.

Your new neighbours

At an Extra Care scheme, you will find that residents' lifestyles and care needs will vary.

Some may still be working; others may be retired. Some may not require any care at all; others may have higher care needs. Some people will live alone; others will be couples.

However, something that everyone has in common is the decision to move to a new home in a fun and friendly environment that will suit their needs not just right now, but for many years to come.
