**Caution! Due to the low response rate (fewer than 10 responses), the results in this report are not necessarily representative of the residents at this scheme. The figures are indicative only and should be interpreted with care.**

88%

Overall satisfaction

Acuity was commissioned to undertake independent satisfaction surveys of all Housing 21's residents, including Retirement Living and Extra Care, to collect data on their opinions of, and attitudes towards, their landlord and the services provided.

A survey questionnaire was sent to all residents. The survey was primarily conducted by post, but residents were also given the opportunity to complete the questionnaire online if they wished.

# Benchmark - Regulator of Social Housing

This chart shows the satisfaction results of this Scheme (depicted by the blue line) in comparison with the Regulator of Social Housing (RSH) data for all other social housing providers.

The quartiles refer to the upper quartile (top 25%), median (average) and lower quartile (bottom 25%) of Low Cost Rental Accommodation (LCRA) properties in the sector.

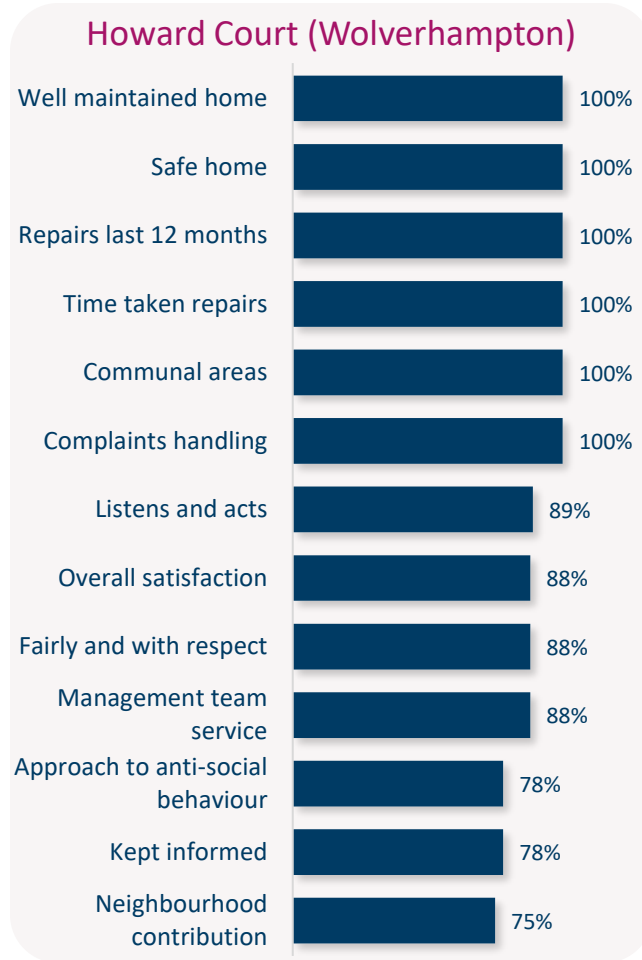

## Benchmark - Housing 21

When considering Housing 21 as a whole, the table on the right shows satisfaction for all Housing 21 residents surveyed this year. Satisfaction is high, with 91% satisfied with the overall services provided.

All the remaining measures received 77% or more satisfaction, apart from the handling of complaints (64%).

The chart to the left shows your Scheme in comparison with the overall results for Housing 21, allowing you to benchmark against all other Schemes combined.
